

## INALA STATE SCHOOL ENROLMENT MANAGEMENT PLAN

### Enrolment Policy

#### **Students within catchment:**

Any student, whose principal place of residence is within the school's catchment area/s, is (subject to the *Education (General Provisions) Act 2006*) entitled to enrol at the school. The school Principal will reserve places for students who move into the catchment area throughout the school year.

Parents or legal guardians who wish to enrol their child at the school will need to demonstrate that the student's principal place of residence is within the catchment area. Current proof of residency at the address indicated can be provided by way of one of each of the following:

- One primary source – a current lease agreement, or rates notice, or unconditional sale agreement, **and**
- One secondary source – a utility bill (e.g. electricity, gas) showing this same address and parent's/legal guardian's name

If the Principal is not satisfied that the documentation provided by an applicant demonstrates adequately that the address stated is the student's principal place of residence, then the Principal may request further sources of proof of residence, such as an additional utility bill (e.g. water) showing the same address.

The Principal may also request a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student's principal place of residence is the place nominated in the enrolment application.

Applicants should note that a false statement / assertion about the student's principal place of residence may amount to an offence and may be reported to police. The school Principal may repeal a decision to enrol a student in such circumstances.

This School Enrolment Management Plan (School EMP) sets out the conditions under which students may be enrolled into Inala State School, subject to any other requirements or limitations in:

- the [Education \(General Provisions\) Act 2006](#)
